

**Franklin Township, Adams County
Board of Supervisors Workshop
Meeting May 3, 2018**

SUPERVISORS PRESENT: Chris Santay, JR Crushong, and Matt Williams

OTHERS PRESENT: Dominic Picarelli, KPI Technologies, Curtis MacBeth, Roadmaster, Mary Lower, acting Secretary

The workshop, held at the Franklin Township Municipal Building, was called to order at 6:00 p.m. by Supervisor Santay.

It was noted that our Secretary/Treasurer, Susan Plank, is recovering from back surgery and we all wish her a speedy recovery.

John Deere and Stephenson Representative concerning Tractor Purchase:

Zack Markle from Stephenson Equipment, Inc. (SEI) presented options for purchase of a John Deere 6110M tractor with a Tiger BB22 Boom Mower. If purchased through SEI, they would be able to have the tractor completed with everything needed (quick coupler, polycarbonate window, correct tires, etc.) including the Tiger boom mower as a turnkey kit and have it available in 90 days from time of order placement. Estimated cost is \$158,494, less the \$20,000 for trade-in, for a final cost of \$138,494. There are several different options for payment. They also have “municipal leasing” available with a \$1 buyout option at the end. Payments could start one year from delivery date. Annual payments are available. Interest rates vary from 3.4% for 3 years, 3.5% for 4 years, 3.6% for 5 years and 3.7% for 6 years. There is a 2-year prepayment penalty, but he was unsure if there would any additional interest payments if paid back after year two, but earlier than term. He will check into that and get back to us. He is sure the quoted interest rate will remain the same until the next BOS meeting. If you buy the tractor from an outside vendor, then the mower would be delivered to SEI in 90 days but they would then have to wait until the vendor delivered the tractor to them for mower installation.

Blacktop Paver and Roller Cost for Hickory Bridge Road Bridge Project:

Curt MacBeth, Roadmaster, requested bids from five different companies. AAA Paving, Hammaker East, Fayetteville Contractors, Jerry Justice and Richard Weidner.

AAA Paving – paver \$500/hr. & 10 ton roller \$200/hr. or 3-5 ton roller \$100/hr.

Hammaker East - paver \$595/hr. & roller \$275/hr.

Fayetteville Contractors – not interested

Jerry Justice – paver \$130/hr. & roller \$90/hr. & \$500 move in & out fee

Richard Weidner – paver \$95/hr. & paver \$74/hr. - \$60 move in/out fee

AAA Paving, Hammaker and Fayetteville Contractors could do a paving at 24'. Justice and Weidner can only pave 13' which will make a center seam.

After discussion, it was decided that Weidner would be the best option.

MOTION by Supervisor Crushong, seconded by Supervisor Williams to accept the bid proposal from Richard Weidner. Motion carried, 3-0.

Electronic Recycling Update:

The Electronic Recycling event will be on Saturday, June 2nd from 8 AM to 12 Noon.

Review of Nuisance/Noise Ordinance: No update at this time.

Motion by Supervisor Santay, seconded by Supervisor Crushong to adjourn the Workshop meeting at 7:00 pm. Motion carried, 3-0.

Mary Lower, acting Secretary
