Forsythe, Barbara 987 Bingaman Road Orrtanna, Inoperable Vehicles and Property Maintenance.

There is no change on this property at all. Nobody responded to the letter or called me or e-mailed me. We might want to consider another citation here also. I revisited

this property on 1-26-2016 and there is still no change in property.

3-29-2016 revisited the property to take pictures to start violation proceedings. On 4-5-2016 I wrote a violation letter to Barbara Forsythe. I sent one certified mail and one regular mail. I haven't heard anything from the letters yet. 5-21-2016 no change in the property but we did hear from the daughter she said she has permission from the mother to clean the place up. Will check in any progress next month. 9/29/16-Township working through. 10-28-2016 no change to this property yet. (Turned over to the township).

Wagaman, Thomas and Laura 400 Church Road, Property Maintenance.

I revisited this property on 5-21-2016 they cleaned all the rubbish up. They still have the metal on the property but it is neatly stacked up on the driveway, I suspect waiting for the price of metal to go up. 6-15-2016 I revisited this property today and told them if they don't cleanup ALL the metal junk, I would write them a violation letter. I revisited this property on 8-26-2016 and there is no change so on 8-29-2016. I wrote and sent a violation letter and sent it certified mail. I revisited this property on 9-16-2016 and 9-27-2016 and still no change to the property I need to give a citation for this property if there is no change by 10-1-2016. 10-25-2016 I revisited this property to take pictures. 10-26-2016 I wrote a citation for this property and delivered it to the District Justice office. 11-13-2016 the wagamans asked me to come to their house and show them what they needed to get rid of so I went to their house and showed them. I will revisit to see if they comply. Waiting to hear from District Justice 1-23-2017 I revisited this property and it looks a little better but it still looks junky. 3-31-2017 we received the information back where the fine was paid. The property looks a little better but in my opinion there is still a lot of stuff in the front of the property. Bikes, mowers, used lumber, used roof rafters, empty pool, etc. 4-28-2017 I noticed more junk mowers. 6-22-2017- I went to this property to check out another complaint. They already went thru the whole process and paid a fine and now they are junking the place up again. 6-27-2017- I talked to the owner of the property and said there was an accumulation of too much stuff again and that they needed to get rid of it. The lady said it was all good stuff. I told her maybe it is but it still looks junky and that she needed to hide it or get rid of it. 10-31-2017 I revisited this property today and there is no improvement.

Merle M. Casette 775 Poplar Springs Road Property Maintenance

I noticed pallets and other scrap wood in the front yard. I'll write him a warning letter. 8-29-2016 I wrote him a violation letter and sent it certified mail. Will follow up next month. 10-21-2016 I revisited this property and I talked to Mr. Casette's daughter and son-in-law they started cleaning up the property and they said they would continue until they get it done. 11-16-2016 there was a little more done but more clean-up is needed. 1-?-2017 the office got a call about this property a Social Service agency is going to help out with this property. 3-31-2017 I wrote a violation letter on this property and then in January we received a telephone call from a social services agency that said they were going to help Mr. Casette clean the property up

but as of today 3-31-2017 I haven't noticed any change to this property. 4-28-2017 no change to this property. 6-21-2017 no change to this property.

Thomas Miller 257 Poplar Springs Road Property Maintenance

There is an old boat in the front yard. I will write them a letter. 8-29-2016 I wrote him a violation letter and sent it certified mail. Will follow up next month. 10-21-2016 Mr. Miller called and wanted to talk to me so I visited them I talked to his wife. She asked me if she could have two more months. I could see they were having a problem because of age and finances so I told her you cannot have two more months but you can have one more month. I will revisit the property to make sure they comply. 11-16-2016 I revisited this property today and talked to the owner he said he's having trouble getting rid of the boat he said he was going to try to get his son from West Virginia to help him. If his son doesn't help him I can try to contact office for the ageing to see if they can help him. 12-10-2016 boat is still there. 1-24-2017 no change to this property yet. 3-31-2017 No change to this property 4-28-2017 no change to this property. 5-31-2017 No Change 6-21-2017 no change to this property. 10-31-2017- I revisited this property today and there is no change.

I will send a warning letter to him. 2-28-2017 no change to property. 3-31-2017 no change to this property. 4-29-2017 I wrote and sent a violation letter for this property. 5-30-2017 I revisited this property and there is no change. Mr. Bloom has a permit for these vehicles and he said he planted trees to hide these vehicles and Adams Electric cut them all down and he has no money to plant them again or build a fence. He came to the meeting last month. How would the Board like to proceed on this matter? Could you discuss it and let me know? Thank you. 6-21-2017 no change to this property. 7-24-2017 no change to this property. 10-31-2017 I revisited this property today and there is no change.
