March 1, 2018

Franklin, Hamiltonban, and Highland Township Supervisors and Secretaries:

As I'm sure you are aware our operating year running from March 1 through February 28 officially closed out last evening at midnight. It marks the reset of our annual response data, the start of our new financial/budget year, and our officers assume the duties of their respective offices.

I have sincerely enjoyed serving as the Fire Chief of the department for the past two years but will not be returning for a third term. I wanted to take a quick moment to express my thanks for the positive working relationship that I believe our department has with all three townships' supervisors and secretaries. I deeply value your ongoing support and willingness to work with us as not all fire departments are so fortunate.

Again, it has been a pleasure to serve the township residents as Fire Chief.

Yours in service,

Brent E. Strasbaugh  
Fire Chief
