**GUESTS**

Residents John and Lynn Diehl, 345 Newman Road commented that they are planning on building a home at 345 Newman Road and they would like a decision on the existing driveway so that they can move forward with their Stormwater. There was much talk about the existing logging Road. The Board members are in agreement that the old logging road has been there for years and unless there are major improvements to the road that it should not be included in the stormwater calculations.

Resident Cary and Rosin Gray, 32 Deer Run Road addressed the Board concerning the Gettysburg Hunting Club requesting that they be pardon from being part of the Hunting Club. Supervisor Santay informed Cary and Rosin Gray that the Township had no jurisdiction over the Gettysburg Hunting Club and that his suggestion is that they seek Legal advice as to what their options are.
